

e-payslip:
Securex brings leading
edge technology to your
payroll administration

e-payslip

Secure your data : bring them online!

Put an end to printed payslips sent by snail mail or distributed in envelopes to your employees.

As from now, they are available in a fully secure online vault.

Choosing for e-payslip, it's a simple and effective way of optimising your business strategy.

Moreover, this innovative solution allows your HR team to concentrate on higher added value missions.

e-payslip is based on three main concepts :

- Answering end-users needs
- Meeting all legal requirements
- Improving your competitiveness with an innovative project

e-payslip Advantages

Security

- Reliability
 - Confidentiality
 - Data privacy
 - ISO 27001 - compliance
 - Sustainability: 5 years storage of your documents
-

Access

- 24 hours a day, 7 days a week availability
- From work, home or any computer with internet access

Environment

- Cost effective: forget internal distribution and check lists
- Environment friendly: going paperless

e-payslip

Easy implementation!

- Step 1** Securex provides you with an Excel file containing your staff list
- Step 2** You check and complete this file if necessary
- Step 3** You add the your employees' email addresses and return the document
- Step 4** Securex sends each of your employees an email inviting them to login for their first time. Support is provided by Securex in French, English and German
