

Social Contribution: end of Covid-19 measures

The following temporary measures that have been taken by the Social Security Center (CCSS) in April 2020, will end in autumn:

- Suspension of the calculation of default interest for late payments;
- Suspension of the procedure for the forced collection of contributions;
- Suspension of the enforcement of constraints by bailiffs;
- Suspension of the fines to be pronounced against employers who are late with regard to the declarations to be made to the CCSS.

CCSS has been checking the payment of social contribution invoices since September. The situation of each company will be analyzed individually and the CCSS will send the first payment arrangements to the late payers in November 2020. Each arrangement will propose a payment deadline so as to allow the late payers to reduce their outstanding balance of social contributions as easily as possible.
