

Retroactive application for short-time working for December 2021 and January 2022

Following the new sanitary measures that came into force on 25 December 2021, establishments in the **Horeca sector** (cafés, restaurants, drinking establishments with or without entertainment, discotheques, short-term accommodation structures, etc.), **tourism** (hotels, campsites, etc.) and **events** (cinemas, congresses, trade fairs, etc.) must close by 11 p.m. at the latest **until 28 February 2022 inclusive**.

In order to ensure that employers are not affected by these new health measures, the Government and the Comité de conjoncture are giving the companies concerned the opportunity to submit, **until 7 January 2022 inclusive**, a request via the MyGuichet.lu platform to be granted retroactively the benefit of partial unemployment for the months of **December 2021** and **January 2022**.

A separate application must be submitted for each of the 2 months.
